Honourable Elinor Caplan, M.P.P.,
Minister of Health,
10th. Floor, Hepburn Block,
80 Grosvenor Street,
Queen's Park,
TORONTO, Ontario.

Dear Elinor:

I have recently met with Mr. Chris Brown of Ottawa, who is concerned that the Ministry of Health has remained unconcerned of the damages to the environmentally sensitive, despite reports presented by two different task forces.

I personally feel that there needs to be further action taken to show good faith on the part of the Government. Mr. Brown has asked that I approach you to see if you could grant him some time to meet with you, in order to provide more details of this deplorable situation.

It is my hope that you will be able to respond positively to his request.

Sincerely,

Richard Patten.
